Our mission

The world of our slovene „minority“ / the crossborder slovene world has to be CATCHY for the young generation:

It's important to create a space / an opportunity for young artists (cinema, theatre, music, literature, arts) to work at home: our multicultural area is very inspiring!

TODAY, 8. february SLOVENE NATIONAL FEAST

The Slovenian National Anthem is a toast!

*God's blessing on all nations
Who long and work for that bright day
When o'er earth's habitations
No war, no strife shall hold its sway
Who long to see
That all men free
No more shall foes, but neighbours be!*
